SECTION 2951 BRANCH

FROM

THE MUNICIPAL COMMISSIONER
City Municipal Council
MYSORE

To

The Secretary to Government,

(Through the President)

Sir,

Subject Purchase of an additional Road roller to the municipality

---

In Government Order No L 15520-22/CM 52-53-19 dated 25-2-54 the Government was pleased to accord sanction to the purhhase of a Diesel Road roller This has been recently received, and therefore, at present, the municipality owns two road rollers, namely the one newly received and an old steam roller

The old Steam roller was purchased more than 23 years ago and on account of the wear, this is being sent for repairs very frequently The bearings, pistons etc , have served their life As a result, it has not been possible to make as much progress in the matter of tarring of roads, metalling etc , as we should with two road rollers

For these reasons, the Council approved of the proposal to purchase another Diesel road roller of the type recently purchased at a cost of Rs 38,100/- (exclusive of other charges) It will take some time for the new road roller to arrive The idea is that as soon as the new one is received, the present steam roller might be auctioned off

I enclose herein a copy of the resolution of the council and request that orders of government may kindly be obtained sanctioning the purchase of a Diesel Road roller

of 8-10 tons capacity at a cost of Rs 38,100/- exclusive of freight, sales tax etc , the expenditure being met out of the provision under D4 Tools and Plants, by reappropriation or from out of the closing balance

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner
